PROFILE SUMMARY

BS Information Technology student with hands-on experience in IT Support, Full-Stack Web Development, and Network Infrastructure. I am a highly adaptable learner eager to utilize my technical skills, master new tools, and become a reliable, collaborative member committed to contributing to technical solutions.

EDUCATION

Mapúa Malayan Colleges Laguna | Cabuyao, Laguna

- BS Information Technology **2022 - Present**
- Senior High School - Information and Communication Technology **2020 - 2022**

EXPERIENCE

Seda Nuvali Hotel | Santa Rosa, Laguna

May 2026 - Aug 2026

IT Support Intern

- Handled and assisted with Level 1 and 2 support tickets for hardware, software, and network issues or requests for guest and hotel staff.
- Maintained system and service area uptime and ensured seamless service by conducting preventative maintenance checks across hotel IT infrastructure.
- Configured and updated user data, keycards, workstations, and point-of-sale (POS) systems.

PROJECTS

A Three-Layered Hybrid Cryptosystem Simulator Application Applied to Selected Local Area Network Topologies

Oct 2025 - Present

- Currently developing an application to simplify understanding the Encryption/Decryption Process and allowing the simulator to interact with a specific Local Area Network setup that would give an accurate physical setup result.

Hotel Management System

July 2025

- Developed an Application that would allow managing reservations, check rooms availability, handle customer data, and handle payments easier by having the application implement CRUD (Create, Read, Update, Delete) interaction with the database.

SKILLS

- Technical : Data Management and Organization, UI/UX Design & Prototyping, Software Engineering and Development, Identity and Access Management
- Tools : Visual Studio, Android Studio, Microsoft Office Tools, Tableau, Power BI, Oracle Database, XAMPP, Oracle VirtualBox, Figma, Canva, Windows Tools
- Soft Skills : Adaptability, Time Management, Problem-Solving, Teamwork and Collaboration

CERTIFICATIONS
